

ZONING ADMINISTRATOR
NOTICE OF DECISION

Date: May 9, 2011
Applicant: McMillin Rolling Hills Ranch II, LLC
Case No.: PCC-11-009
Address: Rolling Hills Ranch N11, 3032, 3036, & 3040 Nature View Drive (APN 595-880-23-00, 24, 25, 26)
Project Planner: Caroline Young

Notice is hereby given that on May 9, 2011, the Zoning Administrator considered Conditional Use Permit (CUP) application PCC-11-009, filed by McMillin Rolling Hills Ranch II, LLC ("Applicant"). The Applicant requests a CUP to establish three model homes, temporary sales office and parking. The Project is located at 3032, 3036, & 3040 Nature View Drive ("Project Site") and is owned by McMillin Rolling Hills Ranch 11 LLC ("Property Owner"). The Project Site is zoned Planned Community (PC) with a General Plan designation of Residential Low (RL). The Project is more specifically described as follows:

The Project includes three model home plans with a temporary sales office within the garage of one of the model homes for the Verona Model Sales Office and a temporary ADA accessible restroom available in one of the model homes within the Rolling Hills Ranch Neighborhood 11 area. The project is a single-family development. The site will also consist of several temporary signage for the sales office and model homes and parking for customers.

The Project has been reviewed by Planning staff for compliance with the California Environmental Quality Act (CEQA) and has determined that the project was adequately covered in the Rolling Hills Ranch SPA Plan and Subsequent Tentative Map Final Environmental Impact Report (EIR 89-03). Thus, no further environmental review is necessary.

The Zoning Administrator, under the provisions of Section 19.14.030.A of the Chula Vista Municipal Code and the Rolling Hills Ranch SPA plan, has been able to make the conditional use permit findings as required by CVMC Section 19.14.080:

- 1. That the proposed use at this location is necessary or desirable to provide a service or facility which will contribute to the general well being of the neighborhood or community.**

The temporary model home complex is desirable due to its close proximity to Proctor Valley Road. The model home complex will allow the applicant to provide

sales information to the general public regarding new homes for the Rolling Hills Ranch Planned Community.

- 2. That such use will not, under the circumstances of the particular case, be detrimental to the health, safety or general welfare of persons residing or working in the vicinity or injurious to property or improvements in the vicinity.**

The project is conditioned to require the applicant to post a bond in the amount determined by the Zoning Administrator to be adequate to insure that the temporary features of the model home complex and restroom facilities shall be removed at the completion of sale of all units. Thus, the model home complex and temporary parking lot will not be detrimental to the health, safety or general welfare in that it will provide sufficient on-street parking, and handicapped accessibility.

- 3. That the use will comply with the regulations and conditions specified in the code for such use.**

The conditional approval of PCC-11-009 requires continuing compliance with all conditions, codes and regulations, as applicable, prior to the final issuance of any permit or occupancy of any facility on the site for the proposed project.

- 4. That the granting of the Conditional Use Permit will not adversely affect the General Plan of the City or the adopted plan of any governmental agency.**

The General Plan does not specifically address temporary type uses. Thus, the granting of this Conditional Use Permit is in substantial compliance with the Rolling Hills Ranch and Chula Vista General Plan.

BASED ON THE FINDINGS ABOVE, THE ZONING ADMINISTRATOR hereby approves Conditional Use Permit PCC-11-009 as described above subject to the following conditions of approval:

- I. Prior to the approval by the City of Chula Vista for the use of the subject property in reliance upon this approval, the Applicant shall satisfy the following requirement:**

executing a copy of this Conditional Use Permit where indicated below. The Applicant/Representative and Property Owner's compliance with this provision is an express condition of this Conditional Use Permit and shall be binding on any and all of Applicant/Operator's successors and assigns.

5. Any violations of the terms and conditions of this permit may result in the imposition of civil or criminal penalties and/or the revocation or modification of this permit.

6. If any of the foregoing conditions fail to occur, or if they are, by their terms, to be implemented and maintained over time, if any of such conditions fail to be so implemented and maintained according to their terms, the City shall have the right to revoke or modify all approvals herein granted, deny, or further condition issuance of all future building permits, deny, revoke, or further condition all certificates of occupancy issued under the authority of approvals herein granted, institute and prosecute litigation to compel their compliance with said conditions or seek damages for their violation.
